

Minimum Requirements

The minimum requirements to apply for the position of firefighter are listed below. Once your application has been reviewed, Human Resources will provide notification by e-mail whether or not you qualify for the written test. Applicants with the highest test scores are then invited to continue with the hiring process. Please see Job Description for detailed information regarding the position. Competition for firefighter openings is extremely competitive so preparation is crucial!

Minimum Requirements

- Must be 18 years of age on the date of application.
- Possession of a high school diploma or equivalent.
- Possession of a valid driver's license on the date of application.
- Possession of a current Nevada State or National Registry Emergency Medical Technician certificate on the date of conditional job offer and maintenance thereafter.
- For the Oct. 17, 2016 Academy, EMT or paramedic certification will be required by Aug. 29, 2016. If the EMT certificate will expire on or around these dates, written confirmation from the certifying agency must be submitted in lieu of an EMT certificate. The letter must include the date the EMT certificate will be achieved or renewed with the new expiration date, and must be followed by submission of the renewed EMT certificate at the earliest opportunity.
- EMT certifying agency information:
