FOR IMMEDIATE RELEASE

24-Hour Charleston Boulevard Roadwork Begins Friday From Main To Grand Central Parkway

Only One Lane Will Be Open in Each Direction 7 P.M. Friday To 5 A.M. Monday

Work on the Main Street/Commerce Street one-way couplet will begin Friday, May 13, with a round-the-clock roadwork marathon from 7 p.m. Friday to 5 a.m. Monday. Here are the most important things to note:

- Lane restrictions on Charleston Boulevard between Main Street and Grand Central Parkway will leave only one travel lane in each direction operating on the south side of the street.
- Southbound traffic on Main Street will have no direct access to Charleston Boulevard.
- Northbound traffic on Main and Commerce will be able to access Charleston Boulevard.
- All local businesses will remain open and accessible.
- All lanes on Charleston will be reopened by 5 a.m. Monday, May 16.

Ultimately, Main Street and Commerce Street will form a one-way couplet between Las Vegas Boulevard and Bonneville Avenue, with traffic flowing northbound on Main and southbound on Commerce. When completed, both streets will have enhanced pedestrian safety, wider sidewalks, bike lanes, additional landscaping and curb extensions. [See the renderings](#). Funding is provided by the Regional Transportation Commission of Southern Nevada, the city of Las Vegas and Fuel Revenue Indexing.

The contractor is Las Vegas Paving Corporation. Those with questions or concerns during the weekend work should call 702-448-9100. Note that a second similar weekend roadwork marathon is planned for May 20-23 to work on the south side of Charleston in the same area.
