FOR IMMEDIATE RELEASE

City Of Las Vegas Safekey Registration Begins Aug. 1

Register For Before- And After-School Enrichment Program For 2016-2017 School Year

Registration for Safekey for the 2016-2017 school year begins Aug. 1. Safekey is a before- and after-school recreational enrichment program that is offered at 68 Clark County School District elementary schools within the city of Las Vegas.

There is an annual \$20 Safekey registration fee per child. Registration and enrollment forms can be completed at the Safekey Office, located at 416 N. Seventh St., the Safekey program at the school your child attends or at city of Las Vegas back-to-school events.

The Safekey program provides a safe environment where children in kindergarten through fifth grade can receive homework assistance, have a nutritious afternoon snack, and participate in physical fitness, nutrition education, arts and crafts, music and drama, reading time, games, special events, and literacy programming.

Payments can be made one of four ways once the child is registered:

- Online at www.recreation.lasvegasnevada.gov beginning Aug. 1.
- In person at the Safekey office – beginning Aug. 1 – office hours Monday through Friday, 7 a.m. to 7 p.m.
- At a city of Las Vegas community center, including Cimarron Rose, Mirabelli, Stupak, East Las Vegas, Veterans Memorial and Doolittle.
- By phone at 702-229-3399, beginning Aug. 1.

Safekey operates as a pre-paid program where every participant must have a valid pass before they can attend. Any child without a valid pass will be sent to the school's office for parent pick-up.

For your Safekey site fee information, financial assistance or for other questions, please contact the Safekey office at 702-229-3399 or visit www.lasvegasparksandrec.com.

Safekey follows the school district calendar and operates on days that school is in session. Participants can look forward to another fun and exciting school year filled with Coordinated Approach To Child Health (CATCH) Kids Club activities, games, crafts, theme weeks, contests, homework assistance and nutritious snacks.
