

CHANGE OF SPECIAL INSPECTION AGENCY DURING CONSTRUCTION (SI-4)

Project Name and Address: _____

CLV Project No _____ CLV Permit No _____

CLV Area Inspection Supervisor: _____

A change of contractor shall not be initiated until all non-compliance reports have been resolved. The final report for the work the agency has completed shall be submitted and cleared through the CLV review process. This will complete the service for the original SI agency.

Reason for the change: _____

State at what phase of construction the original agency's work stops and the new agency takes over (be specific):

A new SI-6 shall be issued to reflect the scope of work to be inspected. (The Scope is to be verified by a CLV Structural Plans Examiner)

Additional documents required:

- Revised special inspection agreement, SI-3, with all the required signatures. Additional requirements in special inspection procedures, SI-1, apply.
- Provide written notice to the City of Las Vegas as to why the original agreement should be invalidated.

The owner, contractor and new special inspection agency shall take full responsibility for coordinating and resolving any outstanding issues that may arise with the transition to the new SI agency.

I have read and agree to comply with the requirements above.
