

## APPROVED SPECIAL INSPECTION AGENCIES (SI-7)

Any Special Inspection Agency approved by the International Accreditation Service (IAS), is authorized to perform Special Inspections within the City of Las Vegas. This is subject to verification by the City of Las Vegas. **The owner must select one of these agencies, as the Special Inspection agency. All agencies that have received final accreditation are posted online at [www.iasonline.org](http://www.iasonline.org).**

1. Go to <http://www.iasonline.org>.
2. Double click the green bar on the left side of the page below the “IAS globe icon” entitled “Accreditation Search.”
3. Below the Paragraph entitled “Search for Accreditations,” double click on the hyperlink entitled, “Complete list of Accredited IBC<sup>®</sup> Special Inspection Agencies (SIA Listings).”
4. From the alphabetical list provided entitled “IBC Special Inspection Agencies,” please select an agency from the list. Please print and submit a copy of the complete “Certificate of Accreditation” from the IAS web site. The agency selected should meet the following criteria if it is to be approved by the building department:
  - a. The accreditation certificate shall be current (not past the expiration date).
  - b. The Scope of Accreditation listed for the agency selected, shall match the inspection items selected on the “SCOPE OF WORK (SI-6)” form.
